## System Requirements For Stretch Squash:

In the interest of fairness, we didn't post this in the main list of game releases but I just noticed it now and wanted to share. Bitter Southerner is a Worms clone developed by Bitterroot Software with the intent to be a Worms 3.9-like real time strategy game with humorous components. The game is being made available for free (which is different from most Worms mods I can think of). It is a cross-platform game that supports Linux, Mac, and Windows users. You can play it on your desktop or laptop as well as on
